

**ENTRANCE AGE**

A child who desires to enter Kindergarten must have attained the age of five (5) years on or before September 1 of the year in which the child plans to enroll.

While State law (VSA Title 16, Section 1073) allows a child who has attained the age of six (6) years by January 1 of any year to enroll in Grade 1, the Castleton/Hubbardton School Board encourages parents to consider enrolling children for Grade 1 only if they have attained the age of six (6) by September 1 of the year.

APPROVED: July 6, 1994
